

Summer plans already made?

Come and learn Estonian for free!

We offer free Estonian language courses at A1, A2 and B1 levels to all international community members* within the Settle in Estonia adaptation programme.

Additional information and
registration: settleinestonia.ee

The Settle in Estonia programme is a free educational programme provided by the Estonian state. We offer language training as well as courses about everyday life in Estonia. Courses take place online and in person.

* International community member is a person who has received a residence permit or right of residence in Estonia and has lived in Estonia for less than 5 years - for example, refugees who have been granted international or temporary protection, as well as people who have arrived in Estonia to work, study or settle with a family member etc.

Aitäh!
